

Clinician (Counselor) – NMSAS Recovery Center

Location: Northern Michigan

Position Type: Part-Time to Full-Time

Salary: Negotiable

About Us

At **NMSAS Recovery Center**, we believe recovery is possible and that every person deserves dignity, respect, and the opportunity to find their own path to healing. We are more than a clinic - we are a recovery community serving 21 counties in Northern Michigan, providing evidence-based treatment, compassionate support, and hope for individuals and families impacted by substance use and mental health challenges.

The Role

We are seeking a **Clinician (Counselor)** to join our multidisciplinary team. In this role, you'll provide individual, group, and family counseling, conduct assessments, and help shape recovery and treatment plans that empower people to thrive. You'll have the opportunity to work closely with peers, physicians, and community partners in a supportive environment where collaboration and compassion are at the heart of what we do.

What You'll Do

- Provide evidence-based counseling services for individuals, groups, and families.
- Conduct behavioral health assessments and support personalized treatment planning.
- Collaborate with a multidisciplinary team to monitor progress and adjust care plans.
- Support clients in achieving recovery goals, including care coordination and case management.
- Maintain accurate, timely documentation and uphold professional and ethical standards.
- Participate in clinical supervision, team meetings, and ongoing professional development.

What We're Looking For

- **Education & Licensure:** Master's degree in Social Work or Counseling; LMSW, LLMSW, or LPC licensure through the Michigan Department of Licensing and Regulatory Affairs (MDLARA).
- **Certification:** Michigan Certification Board for Addiction Professionals (MCBAP) certification or eligibility for a Development Plan.
- **Experience:** At least two years of experience in substance use disorder services preferred.
- **Skills:** Strong communication, documentation, teamwork, and technology skills (Microsoft Office & electronic medical records).
- A commitment to ethical practice, cultural humility, and client-centered care.

Why Join Us?

- Be part of a **mission-driven team** making a difference in Northern Michigan.
- Enjoy **collaboration, support, and growth opportunities** in a progressive recovery center.
- Competitive, **negotiable salary** and flexible scheduling (part-time to full-time).
- The chance to help transform lives while being supported in your own professional journey.

How to Apply

If you are passionate about recovery, mental health, and helping individuals and families move toward healing, we'd love to hear from you.
